

I know FREE HAS NO VALUE but most of these people cannot afford to attend my Live Consulting session. Can you please have as many people as possible from Buying houses, Brands, Retailers and decision makers at Vendors to attend my FREE WEBINAR on Cutting Room Engineering where I promise they can save 10% and more Fabric, 60% or more Staff. I am doing this to help people in Asia where Investment is almost zero.

YOU MUST SPREAD 4,000 to 6,000 yards per 8 hours per person. I will show you how.
