vi) **PRESS RELEASE ON GOVERNMENT'S LATEST NOTIFICATION ON EXCLUDING LOOSE GARMENTS FROM LEGAL METROLOGY (PACKAGED COMMODITIES) RULES**

CMAI Welcomed the Government vital Notification clarifying that Garments or Hosiery products, sold in Loose form, will not be covered under the provisions of the Legal Metrology (Packaged Commodities) Rules, subject to providing a few details.

Most importantly, the Notification gives a clear definition of a “**loose**” Garment as one sold loose or open at the point of sale in such manner that the consumer can inspect the products before buying.

CMAI has been representing to the concerned Ministries for years now that Garments by their very nature – these can be seen, touched, felt, and even tried on in most cases – should not be included in the ambit of a “packaged” commodity, where the Consumer buys the product in a sealed condition without having the opportunity to see, examine, or test the communicated parameters.

CMAI at the same time welcomed the details required to be indicated on the Garments such as MRP, Internationally accepted Size Indicators, Name of the Manufacturer or Marketer or Importer, as well as Contact details of Consumer Care, which will offer protection to the Consumer.
