## Why did you become an Entrepreneur?

You became an Entrepreneur to enjoy 4 Freedoms

- Freedom of Time
- Freedom of Money
- Freedom of Relationships
- Freedom of Purpose

## How did you lose these freedoms?

Because you landed up in 3 Traps, unknowingly

- Thinking Trap (Soch ka Chakravyuh)
- Circumstances Trap (Haalat ka Chakravyuh)
- Energy Trap (Urja ka Chakravyuh)

All of this led to the following issues

1. You don't get Qualitative People
2. You are not able to make people productive.
3. You are not able to Retain People
4. You are yourself getting involved in all kinds of activities.
5. You are not having time for family and friends.
6. You are not having time for self-rejuvenation.
7. You are not having time for self-improvement.
8. You are unable to put Systems & Processes in place.
9. You are unable to implement existing systems & processes and take them to their logical conclusion.
10. You are unable to find time to Reflect.
11. You are unable to find time to implement what you have reflected upon.
12. You are unable to find time to recognize the changes in the external environment.
13. You are unable to implement changes identified in the external environment, into the internal environment.
14. You don't have a Vision.
  - a. Leading to a Non-aligned team
15. Leading to not making any Strategy
  - a. Leading to not being clear about the Future
  - b. Leading to Organizational Derailment in various areas

16. You are not able to educate yourself
  - a. Leading to you not being able to follow the process of Delegation, Decentralization, Empowerment, and Enablement
  - b. Leading to having no Line & 3rd Line Leaders in place
17. You face increased competition
  - a. Therefore, you face increased Commoditization of Self, of Products, and of Business models.
  - b. Therefore, you are offering huge amounts of discounts to stay relevant in the market
  - c. Therefore, you are facing the challenge of increasing Outstandings in the market.
18. You face extreme Anxiety and Fear of the Market and of the Future
19. You face increased levels of stress.
20. You are unable to multiply turnover and decrease physical work.
21. You are facing either no growth or low / incremental growth... but not gaining any exponential growth
22. You faced constant issues of lacking trust in people.
23. You become a Control freak.
24. You are unable to handle the Volatile, Uncertain, Complex, and Ambiguous (VUCA) world
25. You are unable to comprehend how to deal with the Brittle, Anxious, Non-linear, and Incomprehensible (BANI) world.

Do you want to get out of it?

What should be done?

R.... R... R...

RRR क्या होता है???

**Rise... Re-engineer... Roar!**

We will Rise once again, Re-engineer ourselves and Roar to the whole world!!

This can happen only when you completely understand the **18 Solutions/Ideologies/Philosophies!**

- ? But what are these 18 Solutions/Ideologies/Philosophies?
- ? What is importance of learning all this stuff?
- ? Even if it is important, how are we going to implement it?

To know all of this, and a lot more, enroll right now for T.I.G.E.R. Santosh Nair's latest, exciting & revolutionary program, **RRR Multiplier!**
