

SU.RE Eco Stich Sustainability Awards 2026

Nomination Form (Company / Organization / Individual)

SU.RE Eco Stich Awards celebrate the organisations and leaders turning sustainability into measurable action across India's textile and fashion value chain. These awards recognise **proof-based progress**, from circular manufacturing and recycling to responsible brands, technology, craft, and social impact. Winners set the benchmark for what's scalable, auditable, and future-ready.

- One nomination can apply for **up to 3 award categories** (recommended).
- Please answer with **evidence**: data, documents, links, photos.
- Incomplete nominations may not be evaluated.
